The King's Daughter Workbook: Becoming a Woman of God Diana Hagee

This 13 week, interactive study looks at issues many women face today and reminds them of their inherent value as daughters of the one true King.

Mordecai's challenge to Esther, "Were you not born for such a time as this?" is repeated for all women throughout the ages, says Diana Hagee. Every woman has a divine destiny. But women cannot fulfill that goal unless they understand His biblical guidelines.

In this interactive workbook, Diana leads women through a self-examination of their lives and their goals from God's perspective, not the secular society's. Topics such as self-esteem, diligence, attitude, goal setting and stewardship encourage women to establish a strong foundation for growth while learning to see themselves in a new light.

Through scripture, thought-provoking questions and answers, prayers, practical advice and devotional ideas, women learn how valuable they are to God and how they can have an intimate relationship with Him while evaluating the standards that make them a daughter of the King.
