China's Rational Entrepreneurs: The Development of the New Private Sector (Routledge Studies on China in Transition) Barbara Krug

The ability of China's entrepreneurs to establish firms in the midst of a strangling bureaucratic system is a topic which demands attention not least because it forms the basis of China's economic development. Combining theoretical approaches with extensive fieldwork, *China's Rational Entrepreneurs* presents a fresh angle of analysis for understanding the behaviour of Chinese entrepreneurs and what kind of relations they have with local government in order to secure long-term business success.
