Jordi Sierra i Fabra

Cuatro días de enero (Inspector Mascarell 1) (Spanish Edition) Jordi Sierra i Fabra

Primera entrega de la serie de novela policíaca ambientada en la Barcelona de postguerra «Inspector Mascarell», de Jordi Sierra i Fabra. Una conmovedora historia que habla del hambre, de la venganza y, por encima de todo, del amor.

Barcelona, 1939: cuatro días antes de la ocupación franquista, un inspector republicano deberá resolver su último caso...

El 22 de enero de 1939 el Gobierno de la República abandona Barcelona dejándola a su suerte y a merced de Franco y sus tropas. Durante cuatro días, en medio de una huida hacia el exilio por parte de los vencidos, la ciudad se convierte en un caos fantasmal bajo el peso de la derrota, el hambre y el miedo.

En este marco el inspector Miquel Mascarell, que no puede huir a causa de que su esposa está enferma, se enfrenta al último caso de su carrera, el de la hija de una prostituta, una adolescente violentamente asesinada. En estos cuatro días, a pie por la ciudad desesperada, buscará a un asesino y descubrirá que los viejos fascistas escondidos están regresando a sus casas y a sus vidas, dispuestos para la venganza.

Con un documentado trasfondo histórico que recrea fielmente la realidad de ese momento, *Cuatro días de enero* es la novela de una resistencia al límite y la voluntad de supervivencia de todo ser humano ante la adversidad.

Reseña:

«[Jordi Sierra i Fabra] No sólo escribe bien. Su prosa es densa, reflexiva, con una profundidad filosófica casi religiosa.»

ABC

«Una magnífica novela repleta de humanidad y melancolía.»
