The Wolf Within, #4

For Stanzie, being herself is more dangerous than ever.

There's no place like home. . .or is there? When Stanzie is asked to investigate her birth pack--Mayflower-- she isn't prepared for what she finds. No one respects the Alphas and the newest adult member of the pack is being encouraged to leave. Why?

To make matters worse, the men are dangerously intent on mating and shifting with her. How far will the pack she thought she knew go to get what they want? Without her bond-mate, Liam, Stanzie must face this alone and, barely ahead of the threat of violence, solve the mysteries, and fast.
