St. John the Evangelist

Revelation and Other Prophetic Books of the Bible (Dover Thrift Editions) St. John the Evangelist
Some view it as a prophecy of events already fulfilled, and others as a foretelling of things yet to come. Still others regard it as an expression of eternal spiritual truths, rather than specific incidents. The biblical Book of Revelation supports a variety of interpretations—and controversies—and it exerts an endless fascination on readers of every generation.

This compilation features highlights from the King James edition of Revelation, along with other prophetic books of the Bible: Isaiah, which envisions the overthrow of Babylon and the restoration of Israel; Ezekiel, rich in proverbs that inspire hope and declare the certainty of a coming judgment; Daniel, in which the prophet interprets dreams and omens; and Zechariah, which assures that God is at work and planning to dwell again with his people in Jerusalem.
