Tres novelas (Spanish Edition) Diamela Eltit

Inscritos en la llamada literatura psicológica, los personajes de las novelas de Eltit develan la urdimbre desgarrada del telón social. El cuarto mundo explora la percepción del mundo que dos mellizos tienen desde el vientre de su madre. Los vigilantes trata de la vida de una madre con un hijo que padece retraso mental y cuyo padre aparece sólo en las cartas que envía. Mano de obra construye un universo alucinante con personajes cautivos en una mecánica de supervivencia y horror.
