Understanding Equity & Trusts Alastair Hudson

Understanding Equity & Trusts is the sister text to Professor Hudson's heavyweight textbook *Equity & Trusts*. It aims to give you a clear, accessible and comprehensive overview of the main themes in this dynamic area of the law. Whether used at the beginning of studying or in the period before examinations, this book will give you an invaluable grounding in all of the key principles of equity and the law of trusts. If you need help with trusts law, then this is the book for you.

This book covers all of the topics that a student reader will encounter in any trusts law or equity course. The text deals with express trusts, resulting and constructive trusts, the duties of trustees, breach of trust and tracing, commercial uses of trusts, charities, equitable remedies and trusts of homes. Extensive updates have been made to the text to consider several major new cases decided since the last edition, including: Supreme Court decisions in *Pitt v Holt*, *Jones v Kernott*, and *Lehman Brothers International v CRC*, the continuing debate about the proper treatment of bribery and many other cases besides.

The law of trusts is built on simple basic principles. The approach of this book is to begin with a clear presentation of those principles before guiding the reader through the more complex issues which are the focus of examinations in this subject. The lively text includes a large number of straightforward examples to make the discussion of the general law more accessible.

From reader reviews:

Paula Salas:

What do you think of book? It is just for students since they are still students or this for all people in the world, the particular best subject for that? Just simply you can be answered for that issue above. Every person has different personality and hobby for every other. Don't to be forced someone or something that they don't need do that. You must know how great as well as important the book Understanding Equity & Trusts. All type of book is it possible to see on many methods. You can look for the internet resources or other social media.

Mark Carlton:

Do you one of people who can't read enjoyable if the sentence chained in the straightway, hold on guys that aren't like that. This Understanding Equity & Trusts book is readable by means of you who hate the perfect word style. You will find the facts here are arrange for enjoyable looking at experience without leaving also decrease the knowledge that want to offer to you. The writer connected with Understanding Equity & Trusts content conveys the idea easily to understand by many people. The printed and e-book are not different in the information but it just different available as it. So , do you nonetheless thinking Understanding Equity & Trusts is not loveable to be your top checklist reading book?

Franklin Crossland:

Nowadays reading books be than want or need but also work as a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge even the information inside the book that improve your knowledge and information. The details you get based on what kind of guide you read, if you want attract knowledge just go with training books but if you want feel happy read one using theme for entertaining such as comic or novel. The actual Understanding Equity & Trusts is kind of reserve which is giving the reader unforeseen experience.

Catharine Rosol:

Playing with family inside a park, coming to see the marine world or hanging out with close friends is thing that usually you could have done when you have spare time, then why you don't try point that really opposite from that. A single activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Understanding Equity & Trusts, it is possible to enjoy both. It is good combination right, you still need to miss it? What kind of hang type is it? Oh can happen its mind hangout fellas. What? Still don't have it, oh come on its called reading friends.
