Only the most dire emergency could send paleontologist Regan McKinney racing across the West in search of a man. But her grandfather has mysteriously vanished, and Quinn Younger could be the missing link. What the bad-boy-turned-American-hero is doing in the deserted tumbleweed town of Cisco, Utah, is an even bigger mystery...until danger trails Regan right to his front door and the sexy ex-air force pilot becomes her sole hope of survival....

Quinn figures things can't get worse than being stuck in tiny Cisco on an impossible special-ops mission. Then the dinosaur doc's granddaughter roars into town with bad guys on her tail. Once, Quinn was on the fast track to a life of crime...until Regan's grandfather rescued him. Now Quinn owes it to them both to find the old guy. But throw in a deadly terrorist and some hot dinosaur bones, and a man could get himself killed. Because facing down danger with this revved-up lady is one endless adrenaline-rush of pleasure—especially when they're falling crazy in love... and hanging on for dear life....
