Emilia Pardo Bazán

Memorias de un solterón (Spanish Edition) Emilia Pardo Bazán

Memorias de un solterón es una novela escrita por Emilia Pardo Bazán y publicada en 1896. Pertenece a una nueva etapa que los críticos diferencian de sus novelas más claramente naturalistas. En su madurez, la autora idea un plan metanovelístico similar al que Balzac, Zola o Galdós llevaron a la práctica. En su caso, las novelas se centran en las relaciones entre hombres y mujeres y la institución que las regula: el matrimonio. A través de los personajes femeninos de Memorias de un solterón (que forma un díptico con Doña Milagros), doña Emilia expresa sus ideas sobre la situación de la mujer en su época, centrándose en la problemática de las jóvenes de clase media.
