### **Why this book?**

There are many books available which explains similar things. But the ultimate aim of this book is to make it simple, so that everyone can understand the heart of God.

The motivation behind writing this book is the personal struggle which I have endured to grasp an understanding of the Bible. Despite being exposed to thousands of sermons, delivered by hundreds of preachers from birth and for the last 25 years, I still didn't really understand the Heart of God and what the Bible really says. All the elements such as Old Covenant, New Covenant, Old Testament, New Testament, Truth, Faith, Prayer, Fruit, Flesh, Spirit.... All these terms and concepts made the Bible somewhat confusing to me, and on occasion contradictory in nature.

If you were to read the Bible as a whole, you would see these contradictions clearly:

- One verse says "God will justify the ungodly", another verse says "God will punish the ungodly"
- One verse says "God will bless you despite of your deeds", another verse says "God will bless you according to your deeds"
- One verse says "Come with fear in the presence of God", another verse says "Come with boldness without fear"
- One verse says "I will remember your sins to the 3rd and 4th generation", another verse says " I will remember your sins no more"
- One verse says "No more consciousness of sins", another verse says "reminder of sins"

As the saying goes, "seek and you shall find". God showed me answers for my questions, and here I am writing to you so that you also can understand God's heart and be blessed.

I will be addressing all these confusions in this book, to make it clear.
