Surge (The Taking) Melissa West

They're running out of time...

Sixteen-year-old alien Val Stone was born for one mission—to kill teenage Randolph “Rolf” Cartier before he fulfills an age-old prophecy, becomes the future American president, and murders thousands of her kind. Val is ready to sacrifice herself for the good of her people. She knows every aspect of Rolf’s life and is prepared to strike.

But what she doesn’t know is that Rolf’s been watching her, too. Waiting for her. Ready to defeat her and save himself. Only when the day arrives, doubt overcomes purpose, and they discover the prophecy was all a hoax.

Oh, and they can’t seem to stop thinking about each other.

Now they’re running against the clock, desperate to reveal who created the fake prophecy before tensions erupt and there's nothing left but the memory of a species called human.
