Love And Darker Passions Alexis Brooks de Vita, Lee Barwood

Love and Darker Passions is a collection of provocative short stories by today's up-and-coming authors of dark, urban and Gothic fantasy. One man falls in love with an ancient monster, another becomes enchanted by a voice that drives him to a frenzy of self-punishment, and another can't understand three very odd days he's spending with his girlfriend. Award-winning author Karen Duvall sends a Millennial Alice through a very different looking glass, and acclaimed author Lee Barwood sends the Sighted bard of her upcoming series into the passionate world of faerie to find a child and a special destiny. Bestseller C.E. Murphy makes her twisted fairytale tell what drives a lover into the arms of her questionable beloved, and Tenea D. Johnson works a soul-stealing spell of magic. In Love and Darker Passions, edgy and cult fantasy authors combine their talents to make us question what inspires love, why we crave revenge against those who've stolen love from us, and why we despair when love's pain is lost.
