Love knitting but not so hot on accounting? A whiz on a sewing machine but no good with a spreadsheet? Then this book is for you! Craft is now a viable career choice. Shoppers are choosing handmade gifts rather than buying impersonal high street products - and new craft businesses are springing up all the time. Whether you are an amateur knitter thinking about selling your work at a local market or an established company looking to drive more traffic to your website, this handy pocket-sized book contains everything you need to know about combining craft and business.
