After high senior Gary Sinclair is kicked out of his house for being gay, he doesn't have a lot of options. Desperate and hurting, he confides in his youth hockey coach. Sin finds himself moving into a veritable mansion that houses a ragtag group of gay men who have made it their home over the years.

While Sin—as he's known to his team on the ice—gets used to his new life, he struggles with his identity as a gay teen, his relationship with his family, his hockey career, and his first love. And though everything might not be the same anymore, he just wants to find a way for it to be okay again.

Join him on these coming-of-age adventures in this collection of seven short stories: Seven Strokes of Sin.
