Les Huit Coups de l'horloge (French Edition) Maurice Leblanc

Une édition de référence de Les Huit Coups de l'horloge de Maurice Leblanc, spécialement conçue pour la lecture sur les supports numériques.

« Huit jours après leur départ, on retrouvait chacune d'elles en un endroit quelconque de la banlieue ouest de Paris, et chaque fois, ce fut un cadavre qu'on retrouva, le cadavre d'une femme frappée à la tête d'un coup de hache. Et chaque fois, près de cette femme attachée solidement, la figure inondée de sang, le corps amaigri par le manque de nourriture, des traces de roues prouvaient que le cadavre avait été apporté là par une voiture.

L'analogie des cinq crimes était telle qu'il n'y eut qu'une seule instruction, laquelle engloba les cinq enquêtes, et d'ailleurs n'aboutit à aucun résultat. Disparition d'une femme, découverte de son cadavre huit jours après, exactement. Voilà tout. » (Extrait du chapitre 6)
