**The End of Southern Exceptionalism** Byron E Shafer, Richard Johnston

Until now, the critical shift in Southern political allegiance from Democratic to Republican has been explained, by scholars and journalists, as a white backlash to the civil rights revolution. In this myth-shattering book, Byron Shafer and Richard Johnston refute that view, one stretching all the way back to V. O. Key in his classic book *Southern Politics*. The true story is instead one of dramatic class reversal, beginning in the 1950s and pulling everything else in its wake.
