The Woman In The Night - A Paranormal Mystery (The Black Room Book 2) Luke Smitherd

There are hangovers, there are bad hangovers, and then there's waking up inside someone else's head. Thirty-something bartender Charlie Wilkes is faced with this exact dilemma when he wakes to find himself trapped inside The Black Room; a space consisting of impenetrable darkness and a huge, ethereal screen floating in its centre. It is through this screen that he sees the world of his female host, Minnie.

How did he get there? What has happened to his life? And how can he exist inside the mind of a troubled, fragile, but beautiful woman with secrets of her own? Uncertain whether he's even real or if he is just a figment of his host's imagination, Charlie must enlist Minnie's help if he is to find a way out of The Black Room, a place where even the light of the screen goes out every time Minnie closes her eyes...

Part two of a thrilling four-part novel, 'The Black Room, Part Two: Woman In The Night' continues the story of Charlie and Minnie and their attempts to solve the riddle that is The Black Room. Each answer only leads to another mystery in a story guaranteed to keep the reader on the edge of their seat.
