**Auras are a spiritual aspect that has been defined as the electromagnetic presence that is around the human body and every object in the known universe.**

Whatever you see around you carries with it the weight of the existence that it has brought forth through the passage of time to the instance where you contact it.

**This means that rocks, chairs, animals, and people all have auras.**

Now, the human energy field, as we call it, is an aura that carries with it a variety of densities that permeate through the human body in the forms of colors. This can exit the physical body and the particles of energy often manifest in the form of color to the naked eye.
