Fae - The Wild Hunt (The Riven Wyrde Saga Book 1) Graham Austin-King

Faeries... The fae... The stuff of bedtime stories and fables.

But sometimes the faerie tales are true. Sometimes they are a warning...

For a hundred generations the fae have been locked away from the world, in the cold, the Outside. They have faded out of sight and mind, into myth and folklore. But now the barriers are weakening and they push against the tattered remnants of the Wyrde as they seek a way to return.

As a new religion spreads across the world, sweeping the old ways and beliefs away before it, a warlike people look across the frozen ocean towards the shores of Anlan, hungry for new lands. War is coming, even as the Wyrde of the Droos is fading.

As the fae begin to force their way through the shreds of the Wyrde, will mankind be able to accept the truth concealed in the tales of children in time to prepare for the Wild Hunt?
