Genie Wishes

Elisabeth Dahl

Genie Wishes Elisabeth Dahl

This sweet, funny novel follows fifth-grader Genie Kunkle through a tumultuous year. From the first day of school, Genie knows there will be good, bad, and in-between. The good? She's in homeroom with her best friend, Sarah. The bad? Sarah's friend from camp, Blair, is a new student at their school, and is itching to take Genie's place as Sarah's BFF. The in-between? Genie is excited to be elected to write her class's blog, where she's tasked with tracking the wishes and dreams of her class. But expressing her opinion in public can be scary--especially when her opinion might make the rest of her class upset.

Elisabeth Dahl authentically captures the ups and downs of a tween girl's life, and the dramas--both little and big--that fill the transition between childhood and adolescence.

Praise for *Genie Wishes*

"The author has a keen eye for the tween girl experience: Genie's plans for the future involve living right by her best friend and working together as dolphin trainers, while the highlight of her summer is the fact that her other friend just joined the pool. This will no doubt resonate with tween girls, and it has the charm and the discussion fodder to make an excellent mother-daughter book club selection."

--*Bulletin of the Center for Children's Books*

"Girls should identify and mothers should approve of this gentle tale of growing up."

--*Kirkus Reviews*

"Upbeat slice-of-life novel."

--*Publishers Weekly*

"Here's to reading about Genie's sixth-grade year soon."

--*Booklist*

From reader reviews:

Richard Delarosa:

Reading a guide tends to be new life style with this era globalization. With reading you can get a lot of information which will give you benefit in your life. Having book everyone in this world can share their idea. Books can also inspire a lot of people. Plenty of author can inspire their particular reader with their story as well as their experience. Not only the storyplot that share in the publications. But also they write about advantage about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors on earth always try to improve their proficiency in writing, they also doing some exploration before they write on their book. One of them is this Genie Wishes.

Florence Davis:

This Genie Wishes is great reserve for you because the content which can be full of information for you who else always deal with world and also have to make decision every minute. That book reveal it facts accurately using great organize word or we can claim no rambling sentences included. So if you are read this hurriedly you can have whole information in it. Doesn't mean it only provides straight forward sentences but tricky core information with attractive delivering sentences. Having Genie Wishes in your hand like obtaining the world in your arm, facts in it is not ridiculous a single. We can say that no guide that offer you world inside ten or fifteen second right but this guide already do that. So , this is certainly good reading book. Hey Mr. and Mrs. hectic do you still doubt that?

Patricia Hooper:

Reading a book to become new life style in this calendar year; every people loves to study a book. When you learn a book you can get a large amount of benefit. When you read publications, you can improve your knowledge, mainly because book has a lot of information upon it. The information that you will get depend on what types of book that you have read. If you need to get information about your research, you can read education books, but if you act like you want to entertain yourself you can read a fiction books, these kinds of us novel, comics, and soon. The Genie Wishes will give you new experience in studying a book.

Katherine Hood:

Within this era which is the greater particular person or who has ability to do something more are more treasured than other. Do you want to become among it? It is just simple strategy to have that. What you need to do is just spending your time very little but quite enough to possess a look at some books. One of several books in the top listing in your reading list is usually Genie Wishes. This book that is qualified as The Hungry Hillside can get you closer in growing to be precious person. By looking up and review this book you can get many advantages.
