The loss of a spouse through death, divorce, or even abandonment can leave a mom or dad feeling uncertain about how to pull the family together and raise spiritually healthy children. In this best-selling book, Bishop T. D. Jakes, the father of five children, offers hope, encouragement, and biblical advice for single parents--and for those who feel as if they are single.

Using discussion questions, interactive parent/child activities, and prayers at the end of each chapter, Jakes helps you learn how to embrace your family's future and let go of your painful past as you reflect on topics including:

- Learn how to accept unexpected changes.
- Know that past failure does not prevent future success.
- Learn how to love imperfect people.
- Turn pain into power.
- Know that it is OK to ask for help.
