The series fuses key theories and concepts with applied activities to help managers examine how they work in practice. The books are created with individuals in mind. They are designed to help you improve your management

skills. **Management Extra** can also be used in conjunction with management programmes of study aligned to standards.

Each of the books has case studies, self assessments and activities all underpinned by knowledge and understanding of the frameworks and techniques required to improve performance. **Management Extra** provides managers and trainers with a handbook for action and development.

"You found it – what a find! A practical resource packed with all the relevant theory and suggested activities to support your professional development. An essential resource to have at your fingertips, jump in and enjoy."

--Russell Jeans, Learning and Development Manager,
ntl

"All the essential concepts are here, presented in an easily digestible format with lots of up to date case studies and references – but, most importantly, with plenty of thought provoking activities and self-diagnostic exercises to make the learning personal and transferable."

--Peter Manning, Head of Training & Development, News International Newspapers Ltd
