David M. Holley

## Meaning and Mystery: What It Means To Believe in God David M. Holley

*Meaning and Mystery* offers a challenge to the way Philosophy has traditionally approached the issue of belief in God as a theoretical problem, proposing instead a form of reflection more appropriate to the practical nature of the issue.

- Makes use of abundant illustrative material, from both literature, such as *Les Misérables*, Edwin Abott's *Flatland*, Yann Martel's *Life of Pi* and Leo Tolstoy's *A Confession*, and popular culture, such as advertisements, the television series *Joan of Arcadia* and the film *Stranger Than Fiction*
- Uses imaginative scenarios to offer explanations of central concepts
- Incorporates theories on human thought and behavior in exploring the formation of religious belief
- Written in a style that is accessible to readers with little background knowledge of philosophy
