Philosemitism in History

Philosemitism in History

Too often philosemitism, the idealization of Jews and Judaism, has been simplistically misunderstood as merely antisemitism in sheep's clothing. This book takes a different approach, surveying the phenomenon from antiquity to the present day, and highlighting its rich complexity and broad impact on Western culture. *Philosemitism in History* includes fourteen essays by specialist historians, anthropologists, literary scholars and scholars of religion, ranging from medieval philosemitism, to such modern and contemporary topics as the African American depiction of Jews as ethnic role models, the Zionism of Christian evangelicals, pro-Jewish educational television in West Germany, and the current fashion for Jewish kitsch memorabilia in contemporary East-Central Europe. An extensive introductory chapter offers a thorough and original overview of the topic. The book underscores both the endurance and the malleability of philosemitism, drawing attention to this important, yet widely neglected, facet of Jewish - non-Jewish relations.

From reader reviews:

Alice Hill:

Have you spare time for any day? What do you do when you have a lot more or little spare time? Yep, you can choose the suitable activity for spend your time. Any person spent all their spare time to take a go walking, shopping, or went to the actual Mall. How about open as well as read a book eligible Philosemitism in History? Maybe it is to become best activity for you. You realize beside you can spend your time with the favorite's book, you can wiser than before. Do you agree with its opinion or you have some other opinion?

Kathie Richmond:

The book Philosemitism in History can give more knowledge and also the precise product information about everything you want. So why must we leave the best thing like a book Philosemitism in History? A number of you have a different opinion about guide. But one aim that book can give many info for us. It is absolutely appropriate. Right now, try to closer using your book. Knowledge or data that you take for that, you may give for each other; it is possible to share all of these. Book Philosemitism in History has simple shape but the truth is know: it has great and big function for you. You can look the enormous world by open and read a reserve. So it is very wonderful.

Hubert Wooten:

Are you kind of occupied person, only have 10 as well as 15 minute in your morning to upgrading your mind proficiency or thinking skill possibly analytical thinking? Then you are having problem with the book when compared with can satisfy your limited time to read it because this time you only find e-book that need more time to be examine. Philosemitism in History can be your answer as it can be read by you actually who have those short free time problems.

Luis Poole:

As a student exactly feel bored for you to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just little students that has reading's heart and soul or real their hobby. They just do what the trainer want, like asked to the library. They go to right now there but nothing reading very seriously. Any students feel that examining is not important, boring and can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this Philosemitism in History can make you feel more interested to read.
