Mary Tilberg

The Moon Knows No Boundary (Essential Poets Series 128) Mary Tilberg

The poems in this collection describe the survival of love and family during times of war. Spanning early-20th-century Russia to the present day, each war and upheaval is described as both a failure of peace and another step backward. The deeply antiwar poems attest to the survival of human love and the creative spirit during the most trying times. {Guernica Editions}
