## **21 & Counting** Alexii Athena Lardis

21 & Counting was written to bring hope to twenty-somethings of all different backgrounds. Offering a series of life lessons from your first love until your final departure, Lardis emphasizes that life is about embracing the small things. It voices themes of maintaining self-confidence and pursuing one's dreams. To prove this universality, 21 & Counting not only offers anecdotes from Lardis herself, but from other twenty-somethings that she was so blessed to meet through travel. From Senegal to Holland, all stories echo that you need to start loving yourself as soon as possible to find abundance in your life: a lesson that is not only universal, but timeless.
