S. J. Kincaid has created a fascinating dystopian world for Insignia, her futuristic science-fiction adventure series perfect for fans of *Ender's Game*. Earth is in the middle of WWII, battling to determine which governments and corporations will control the resources of the solar system.

Teen Tom Raines grew up with nothing, some days without even a roof over his head. Then his exceptional gaming skills earned him a spot in the Intrasolar Forces, the country's elite military training program, and his life completely changed.

Now in *Catalyst*, the explosive series conclusion, dangerous changes have come to the Pentagonal Spire where Tom and his friends train. When a mysterious figure starts fighting against the evil corporations' horrifying plans, but with methods Tom finds shocking, he must decide which side he's on.

With slim odds of success, is it even worth the fight?
