The exemplar of the major league slugging shortstop before either Honus Wagner or Lou Boudreau, Ed McKean spent a dozen seasons as a high-profile contributor to the Cleveland Spiders, leading his team to three playoff berths and the 1895 Temple Cup championship. He played in no fewer than four of the Society for American Baseball Research's "100 greatest games of the 19th century."

This first McKean biography returns the charismatic Irishman to the spotlight, recounting his efforts to reimagine himself as one of Cleveland's original sports heroes, his struggle to win a significant place in fin de siecle America, and his leading role in the Emerald Age of baseball. Appendices provide his major league career batting record, his year-by-year offensive rankings, and even lines from a poem attributed to him.
