Feminism at the Movies: Understanding Gender in Contemporary Popular Cinema

Feminism at the Movies: Understanding Gender in Contemporary Popular Cinema examines the way that contemporary film reflects today's changing gender roles. The book offers a comprehensive overview of the central issues in feminist film criticism with analyses of over twenty popular contemporary films across a range of genres, such as chick flicks, teen pics, hommecoms, horror, action adventure, indie flicks, and women lawyer films. Contributors explore issues of femininity as well as masculinity, reflecting on the interface of popular cinema with gendered realities and feminist ideas. Topics include the gendered political economy of cinema, the female director as auteur, postfeminist fatherhood, consumer culture, depictions of professional women, transgender, sexuality, gendered violence, and the intersections of gender, race, and ethnic identities.
