**Menéndez, rey de la Patagonia (Spanish Edition)** José Luis Alonso Marchante

"Este es un libro definitivo sobre la verdad de lo ocurrido en el sur chileno y argentino conquistado por la civilización de origen europeo. El reparto de las tierras y el genocidio consumado con los pueblos originarios. Ya nadie —después de este acopio de pruebas— podrá señalar que las versiones críticas que surgieron a medida que se producían esos hechos eran exageradas o de pura imaginación. El autor nos presenta en especial lo que ocurrió en Chile, principalmente, pero también de su eco en la Argentina, o viceversa, en esta biografía exhaustiva del aprovechado español José Menéndez. También está aquí la historia del imperio económico de Menéndez-Braun, todo el proceso de cómo se cambia la vida de la fauna natural de la región y el capítulo de los “cazadores de indios”, crimen de los peores de nuestra historia conjunta chileno-argentina en ese verdadero paraíso de paisajes que es Tierra del Fuego y la Patagonia continental. Hasta se llegó al colmo: al “remate de indios”, como se había hecho durante la colonización española, con el remate de esclavos de origen africano. La “civilización” europea, occidental y cristiana. Aquí hay años de investigación, sabia y profunda, alejada de cualquier concepto ideológico. Basándose siempre en los principios de la ética y de la verdad histórica". Osvaldo Bayer
