Pastoral Care in Hospitals, Second Edition

Neville A. Kirkwood

Pastoral Care in Hospitals, Second Edition Neville A. Kirkwood

Bringing comfort and concern to the bedside of the sick or dying is a challenge for lay people and clergy alike. In this practical guide, Neville Kirkwood shares his wisdom—gleaned from some twenty years of experience as a hospital chaplain—on the art of hospital visitation. This classic handbook is now updated, with an all-new section addressing best practices for hospital chaplains.

Pastoral Care in Hospitals, with additional sections addressed to clergy and trained lay pastoral workers, as well as ordinary lay people who simply want to visit their fellow-parishioners, shows visitors ways to make the encounter meaningful and enriching to the patient. Kirkwood guides readers through the minefield of hospital visits—from false heartiness to too much talking—and offers a theology of visitation that can guide both professionals and laity in their ministry. A variety of exercises and a section of prayers for specific circumstances make this a must-have resource for all who work with the sick and dying, and an excellent text for course work.
