Rising in Love tells the story of the author's extraordinary spiritual awakening in America (which included meeting an angel), his discovery of Amma (the living Guru known in the West as “the Hugging Saint”), and the 27 amazing years he has spent in quest of Enlightenment as Amma’s devotee, most of that time in India. The book is a multi-faceted diamond. It is a suspenseful psychological thriller, a page-turner from the outset—yet there also much humor in the narrative, and at times reads like a comedic novel. From another angle, it is a story of profound healing from delusion, drug addiction and despair into a joyous and beautifully fulfilled life, and as such it is a ray of hope for all who suffer from addiction or mental illness of one kind or another.
