The Road Ahead for the Fed (Hoover Institution Press Publication) John D. Ciorciari, John B. Taylor
Expert contributors examine the recent actions of the Federal Reserve and suggest directions for the Fed going forward by drawing on past political, historical, and market principles. They explain how the Fed arrived at its current position, offer ideas on how to exit the situation, and propose new market-based reforms that can help keep the Fed on the road to good monetary policy in the future.
