Balti-English / English-Balti Dictionary

R. K. Sprigg

Balti-English / English-Balti Dictionary R. K. Sprigg

This book is based on the Khapalu and Skardu dialects of Balti, a member of the Tibeto-Burman family, spoken in Baltistan. The work is distinguished by its phonetic acuity, particularly important in the case of Balti, whose importance to the Tibeto-Burman and Sino-Tibetan comparatists is its close phonetic relationship to the Tibetan script. This book will undoubtedly become a standard work for the linguistics of the Tibetan language family in general.
