From Book 1:

Is the kingdom's fate in the hands of an orphan cat?

Running fast to save his life, Aldwyn ducks into an unusual pet store. Moments later Jack, a young wizard in training, comes in to choose a magical animal to be his familiar. Aldwyn's always been clever. But magical? Jack thinks so—and Aldwyn is happy to play along.

He just has to convince the other familiars—the know-it-all blue jay Skylar and the friendly tree frog Gilbert—that he's the powerful cat he claims to be.

Then the unthinkable happens. Jack and two other young wizards are captured by the evil queen of Vastia.

On a thrilling quest to save their loyals, the familiars face dangerous foes, unearth a shocking centuries-old secret, and discover a destiny that will change Vastia forever. Their magical adventure—an irresistible blend of real heart, edge-of-your-seat action, and laugh-out-loud humor—is an unforgettable celebration of fantasy and friendship.
