Father's Day: A Mystery

Keith Gilman

Father's Day: A Mystery Keith Gilman

Keith Gilman's provocative debut is a dark and atmospheric tale of an ex-cop from Philadelphia who must face old ghosts.

Louis Kline, PI, is asked to track down the missing teenage daughter of an old friend. In doing so, he uncovers truths about the alleged suicide of his friend, a fellow officer with the Philadelphia Police Department. They shared accusations that ended both their careers, and a love for the same woman. As Louis further investigates, he comes to understand the tortured life of the girl he's trying to find, and some truths about himself.

Keith Gilman knows how cops think and he pulls back the curtain on a disturbing vision of a decaying urban world, haunted by shadows of deceit and death. *Father's Day*, a novel of great psychological depth and stark visual imagery, is a terrifying exploration of what lies at the heart of our deepest fears.
