Manual de urbanidad y buenas costumbres parrilleras (Spanish Edition)

Felipe Galvez Comandini

Manual de urbanidad y buenas costumbres parrilleras (Spanish Edition) Felipe Galvez Comandini

I. Las porciones se reparten en tamaños similares para todos los comensales. Es sumamente incivil que el parrillero distribuya primero los cortes magros y de menor tamaño, para que él, finalmente, goce del más grande y rico en grasas. Eso habla pésimo de su hospitalidad.

II. Si usted es el invitado, procure no incomodar al parrillero con peticiones excéntricas o egoístas. A saber: "Me gusta la carne bien quemada por fuera, pero por dentro cruda". O bien: "A mí dame la pechuga de pollo, pero cortada en diagonal, pero un poquito, no tan diagonal".

III. Es de una vulgaridad imperdonable llevarse de vuelta a su hogar aquellos licores que usted aportó al asado y que fueron consumidos a medias o que derechamente no fueron abiertos. Es repugnante llegar con botellas que fueron descorchadas previo al encuentro.

Además de consejos, recetas y trucos para lograr un buen asado, Manual de urbanidad y buenas costumbres parrilleras es un divertido ensayo sobre cómo los chilenos nos comportamos a la hora de reunirnos para encender el carbón. Sus temas van desde los cortes de carne, los acompañamientos ideales, lo que el invitado y el anfitrión deben y no deben hacer, hasta los mitos respecto de aquello que todo parrillero cree que sabe.
