## **Obras reunidas, VI. Crónica de la intervención (Spanish Edition)** Juan García Ponce

La novela más ambiciosa de uno de los mayores narradores mexicanos. García Ponce pone el deseo en circulación y lo sitúa como motor de conductas, palabras, miradas, existencias enteras. La historia tiene un centro doble: un par de mujeres semejantes entre ellas y que a su vez portan y transmiten y despiertan sentimientos y emociones que parecerían antitéticos: la inocencia y la sensualidad, la pasión y el sosiego. A partir de la presencia constante de aquellas dos mujeres se despliegan los actos todos de los que las circundan: hombres atraídos por una fuerza tierna y erótica, la fuerza de la libertad que encarna en el eterno femenino. Con este sexto volumen de Obras reunidas, el FCE culmina con la publicación de la narrativa completa de Juan García Ponce.
