The Caribbean Basin: An International History (The New International History)

Graeme Mount, Stephen Randall

The Caribbean Basin: An International History (The New International History) Graeme Mount, Stephen Randall

The Caribbean Basin: An International History provides a study of the entire Caribbean region, including Central America and the Caribbean coast of northern South America. It also offers analysis of:

- * the role of international intervention
- * the complex interaction among major world powers in the area
- * conflicts over colonial possessions and trade routes
- * Soviet-American confrontation in the Cold War years.

Integrating the recent political, social and economic history of the Caribbean with its military and diplomatic past, this book charts the region's emergence from colonialism during the course of the twentieth century.
