MD Anderson Manual of Psychosocial Oncology

James D. Duffy, Alan Valentine

MD Anderson Manual of Psychosocial Oncology James D. Duffy, Alan Valentine

A practical and comprehensive guide to fostering behavioral and emotional health in cancer patients – from one of the world’s leading cancer treatment centers

Reflecting the collective expertise of more than forty contributors, most from the renowned MD Anderson Cancer Center, this manual addresses key psychological and behavioral issues that should be considered when treating cancer patients, including special populations such as children and the elderly.

Coverage includes:

- Communicating with patients and family
- Distress and cancer
- Assessment and management of psychological symptoms, including mood disorders, anxiety, fatigue, substance abuse, and delirium
- Family and cultural issues, including spirituality and religion and supporting the caregiver
- Integrative medicine
- Physical medicine and rehabilitation
- Grief and end-of-life issues, including non-pharmacologic interventions and palliative medicine
- Healthcare professional wellbeing

MD Anderson Handbook of Psychosocial Oncology is designed to be a practical guide for clinicians and allied professionals in the day-to-day practice of psychosocial oncology, which is an essential component of the comprehensive care of cancer patients and their caregivers.

From reader reviews:

Louise Wax:

Information is provisions for folks to get better life, information nowadays can get by anyone at everywhere. The information can be a know-how or any news even restricted. What people must be consider whenever those information which is from the former life are challenging be find than now could be taking seriously which one is suitable to believe or which one often the resource are convinced. If you find the unstable resource then you understand it as your main information there will be huge disadvantage for you. All of those possibilities will not happen throughout you if you take MD Anderson Manual of Psychosocial Oncology as your daily resource information.

Athena Thornton:

Often the book MD Anderson Manual of Psychosocial Oncology will bring one to the new experience of reading any book. The author style to describe the idea is very unique. Should you try to find new book to see, this book very ideal to you. The book MD Anderson Manual of Psychosocial Oncology is much recommended to you to read. You can also get the e-book from your official web site, so you can quicker to read the book.

Andrew Taylor:

Reading a guide tends to be new life style in this era globalization. With reading you can get a lot of information which will give you benefit in your life. Together with book everyone in this world may share their idea. Textbooks can also inspire a lot of people. A lot of author can inspire their very own reader with their story or maybe their experience. Not only the story that share in the guides. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book that exist now. The authors on earth always try to improve their ability in writing, they also doing some exploration before they write to their book. One of them is this MD Anderson Manual of Psychosocial Oncology.

Tom Salgado:

As a university student exactly feel bored to be able to reading. If their teacher asked them to go to the library in order to make summary for some guide, they are complained. Just minor students that has reading's heart and soul or real their passion. They just do what the professor want, like asked to the library. They go to right now there but nothing reading critically. Any students feel that reading is not important, boring as well as can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this MD Anderson Manual of Psychosocial Oncology can make you experience more interested to read.
