The Guys: A Play

Anne Nelson

The Guys: A Play Anne Nelson

First performed in a hit off-off-Broadway production, and soon to be a film starring Sigourney Weaver and Anthony LaPaglia, *The Guys* is a timeless drama about the surprising truths people can discover in ordinary lives, and the connections we make with others and ourselves in times of tragedy.

Paralyzed by grief and unable to put his thoughts into words, Nick, a fire captain, seeks out the help of a writer to compose eulogies for the colleagues and friends he lost in the catastrophic events of September 11, 2001. As Joan, an editor by trade, draws Nick out about “the guys,” powerful profiles emerge, revealing vivid personalities and the substance and meaning that lie beneath the surface of seemingly unremarkable people. As the individual talents and enthusiasms of the people within the small firehouse community are realized, we come to understand the uniqueness and value of what each person has to contribute. And Nick and Joan, two people who under normal circumstances never would have met, jump the well-defined tracks of their own lives, and so learn about themselves, about life, and about the healing power of human connection, through talking about the guys.

From the Trade Paperback edition.

From reader reviews:

Peter Tesch:

In this 21st hundred years, people become competitive in every single way. By being competitive currently, people have do something to make these survives, being in the middle of the crowded place and notice through surrounding. One thing that often many people have underestimated this for a while is reading. Sure, by reading a book your ability to survive raise then having chance to endure than other is high. For yourself who want to start reading any book, we give you this kind of The Guys: A Play book as nice and daily reading book. Why, because this book is usually more than just a book.

Byron Sierra:

Playing with family inside a park, coming to see the water world or hanging out with buddies is thing that usually you might have done when you have spare time, then why you don't try thing that really opposite from that. 1 activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition details. Even you love The Guys: A Play, it is possible to enjoy both. It is very good combination right, you still desire to miss it? What kind of hang type is it? Oh occur its mind hangout men. What? Still don't obtain it, oh come on its referred to as reading friends.

Miguel Lynch:

Reading a book being new life style in this yr; every people loves to examine a book. When you read a book you can get a great deal of benefit. When you read publications, you can improve your knowledge, simply because book has a lot of information on it. The information that you will get depend on what sorts of book that you have read. If you need to get information about your research, you can read education books, but if you want to entertain yourself you can read a fiction books, these kinds of us novel, comics, as well as soon. The The Guys: A Play will give you a new experience in looking at a book.

John Stewart:

What is your hobby? Have you heard that will question when you got college students? We believe that that issue was given by teacher for their students. Many kinds of hobby, Every individual has different hobby. Therefore you know that little person including reading or as studying become their hobby. You should know that reading is very important as well as book as to be the issue. Book is important thing to incorporate you knowledge, except your current teacher or lecturer. You discover good news or update about something by book. Many kinds of books that can you go onto be your object. One of them is actually The Guys: A Play.
