### The Telling Alexandra Sirowy

A chilling new novel about a girl who must delve into her past if she wants to live long enough to have a future when a series of murders that are eerily similar to the dark stories her brother used to tell start happening in her hometown.

Lana used to know what was real. That was *before*, when her life was small and quiet. Her golden stepbrother, Ben was alive. She could only dream about bonfiring with the populars. Their wooded island home was idyllic, she could tell truth from lies, and Ben's childhood stories were firmly in her imagination.

Then came after.

*After* has Lana boldly kissing her crush, jumping into the water from too high up, living with nerve and mischief. But *after* also has horrors, deaths that only make sense in fairy tales, and terrors from a past Lana thought long forgotten. Love, blood, and murder.
