## **Otra invitación a la microhistoria (Spanish Edition)** Luis González

Luis González reitera en estas páginas las invitaciones que ha realizado a lo largo de toda su obra. Por un lado, convida al placentero ejercicio del oficio de historiar y, por el otro, al recorrido de la historia patria, diferente de la historia patria que está en los terruños, barrios y lugares desdeñados por la historia monumental e incluso por las academias estrictas.
