## **The First 100 Temples** Chad S. Hawkins

In October 1998 President Gordon B. Hinckley announced that 'in all likelihood, we will have 100 or more temples operating in the year 2000.' Commemorating this season of unprecedented temple building, bestselling artist Chad S. Hawkins combines his unique drawings of temples throughout the world with historical summaries and inspirational stories about the first 100 temples.

Never before has one artist accomplished the monumental task of creating illustrations of so many different temples. Each drawing has incorporated Chad's signature 'hidden' images, representing an important event related to that particular temple. Numerous interviews and extensive research have resulted in a work that is informative and spiritually uplifting. Designed as a tribute to the sacrifice and commitment of those who labored to make temples 'dot the earth,' *The First 100 Temples* will be a cherished keepsake for generations to come.
