**Why Can't We Be Good?** Jacob Needleman

**The widely respected social philosopher embarks on his most gripping and broadly appealing work, asking the ultimate question of human nature: Why do we repeatedly violate our most deeply held values and beliefs?**

After nearly forty years of weighing humanity's deepest dilemmas-working in settings ranging from university and high school classrooms to corporate offices and hospitals-bestselling author, philosopher, and religious scholar Jacob Needleman presents the most urgent, deeply felt, and widely accessible work of his career.

In *Why Can't We Be Good?* Needleman identifies the core problem that therapists and social philosophers fail to see. He depicts the individual human as a being who knows what is good, yet who remains mysteriously helpless to innerly adopt the ethical, moral, and religious ideas that are bequeathed to him.
